Hours of Operation:

Dismissal - 5:30 at all units.

Our program is offered for In-Service days, as well as the June end marking days. We open at 8:00 and run until 5:30 for all full days.

We are closed for March Break, Christmas Break, Summer Vacation as well as all school holidays.

**Staff and
Programming**

The TCRSB- After School Programs are designed to provide quality care for your child. All staff are qualified, having completed an Early Childhood Education course or through years of experience. We are all trained in current CPR and first aid. The afternoon is planned around what the children would like to do. We understand that children sit all day in school and we base our program on getting the children moving and involved in different activities. We provide a snack each day as well as a well balanced schedule.
